

Snowman Ornament Card

- Print out this downloadable snowman template onto white card stock.
- Cut out the card, and fold along the dotted line.
- Cut out a window on the front side of the card a little smaller than a snack-sized zip-lock bag.
- Have your little kiddos cut out the snowman pieces.
- Take a marker and give your snowman some eyes, mouth and buttons.
- Place the snowman pieces and a piece of string for a loop, into the zip-lock bag and tape it behind the window.
- Write your personal message into the inside of the card along with an invitation to glue the snowman together to create a fun Christmas ornament.

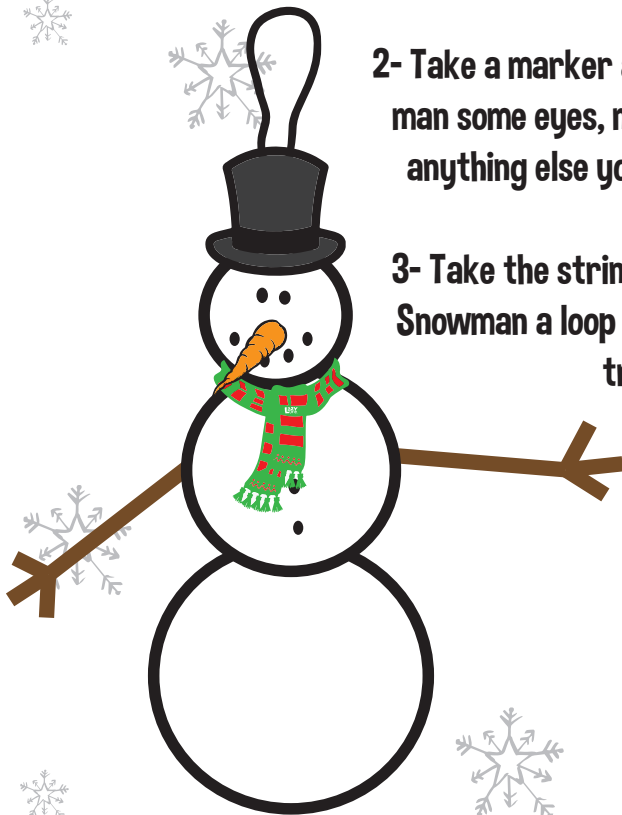

Snowman Ornament Kit

1- Choose your favorite Snowman accessories and glue or tape them together.

2- Take a marker and give your Snowman some eyes, mouth, buttons and anything else you think he'll need.

3- Take the string and fashion your Snowman a loop to hang from your tree.
